

## Substances of Very High Concern Statement

### Alusion® (Aluminium Oxide)

Antaria confirms that Alusion® does not contain, or use in its manufacture, any substance, identified as Substances of Very High Concern (SVHCs), in the scope of CLP Regulation, and Annex XIII of Regulation (EC) No 1907/2006.

Based on our knowledge of the raw materials used to produce this product, and information from suppliers, substances of very high concern (SVHCs) are not expected to be present.

A handwritten signature in black ink, appearing to read "Geoff Acton", is written over a horizontal line.
