

Sunflower Oil

General Data

Known as: Sunflower Seed Oil

Plant Parts: Sunflower

INCI: Helianthus Annuus Seed Oil

Product Details

Benefits

Moisturizing

- Sunflower oil is a lightweight, non-greasy moisturizer that helps hydrate and nourish the skin. It absorbs quickly, leaving the skin soft, smooth, and deeply moisturized.

Healing

- Sunflower seed oil is known to promote skin repair and healing, making it an excellent choice for treating minor cuts, burns, or skin irritations.
- Sunflower seed oil is rich in vitamin E, a powerful antioxidant that helps protect the skin from free radical damage, preventing premature aging and maintaining a youthful glow.

Non-Comedogenic

- This oil is non-comedogenic, meaning it won't clog pores. It's suitable for all skin types, including acne-prone skin, as it helps balance oil production without causing breakouts.
-
