

Stearoyl Glutamic Acid

General Data

Known as: Sodium Stearoyl Glutamate,
SGlu

Plant Parts: n/a

INCI: Stearoyl Glutamic Acid

Product Details

Benefits

Moisturizing

- Helps to keep the skin hydrated and prevent dryness after sun exposure.

Non-Irritating

- Helps to reduce the potential for skin irritation (makes it more suitable for those with sensitive skin types).

Emulsifier

- Helps to emulsify and stabilize oil and water mixes to ensure a consistent and smooth texture.
-
